

Personal Time Line Assignment:

Begin with the year you were born, and continue through 2011. Find a **minimum** of 2 events in the following categories:

- US History
- World History
- Space/Tech/Pop Culture

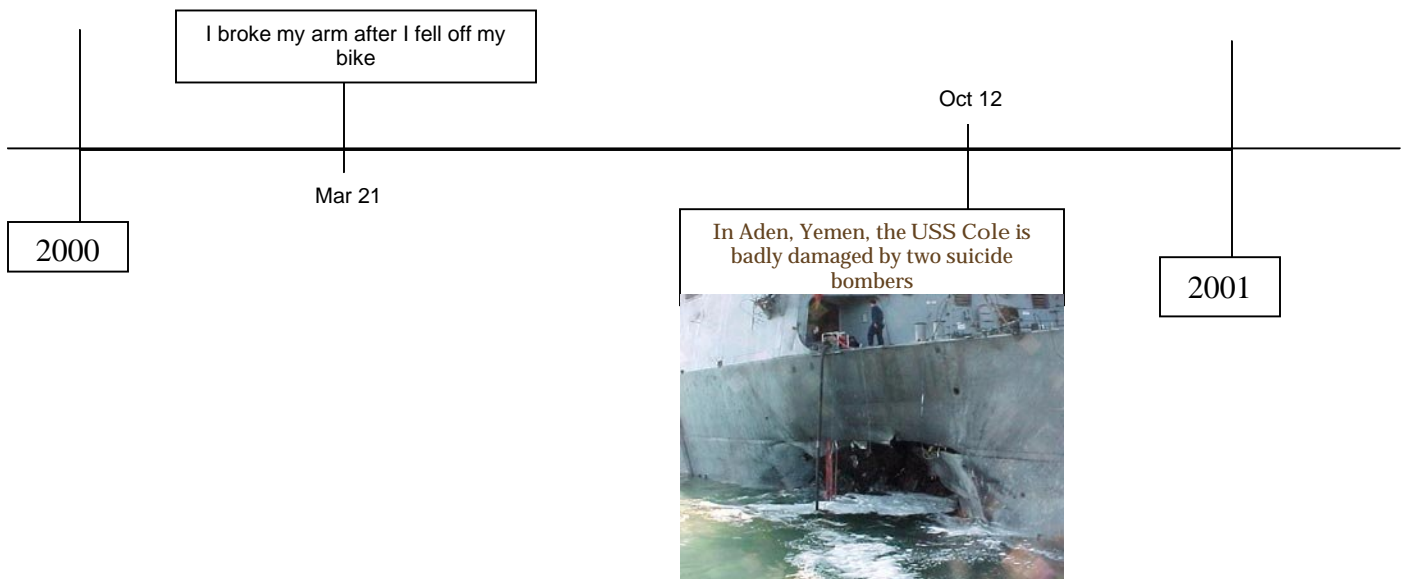

and a **minimum** of one event in the following category
My Life

Event Research is due Wednesday April 27, 2011

Final Project is Due end of class Friday April 29, 2011

Final project will be a constructed timeline using 2 events per year, from 2 different categories that you researched, and one event from each year must have a photo with it.

Example: The year 2000 on your timeline:

Guidelines for finished project:

- Minimum 6" between each year (if doing a straight horizontal timeline), and must be to scale. (i.e. each year should be the same distance apart from the previous one)
- Must start with the year you were born, and your birthday will be one the events for that year
- Minimum 2 events per year; from 2 DIFFERENT categories, ONE must have a photo
- Include a minimum of 4 events from your life
- Minimum photo size is 2"x2"
- Works Cited page must accompany for **any photos** taken from the internet; just include the website you took it from
example: 2000 photo from: <http://www.al-bab.com/yemen/images/usscole2.jpg>
- Timeline does NOT have to be a straight horizontal line, can be creative!!
- Text for events can be printed or typed; if typed minimum font size is 10pt, if printed, must be neat, on straight lines and easy to read.
